730-130 - GRASS COLLECTION MOWER

Strength, technology, performance, operator comfort and manoeuvrability are the unparalleled features of all **Gianni Ferrari** products.

Premium engine technology – Fitted with a high specification 25hp 3 Cylinder liquid cooled Kubota Diesel Motor.

52 inch cutting deck with the ability to trim on both sides.

Dual Hydrostatic transmissions – High quality Eaton hydros for greater torque and zero-turn capabilities

Full steel engine covers and belly plate – for engine bay protection.

Patented reverse rotation cutting discs – provide unique airflow to reduce the chance of clogging.

Volume reduction system – Upper and lower blades cut grass into smaller pieces for faster flow to the catcher

Removable curved rotors – creates high speed and less noise in the turbine.

Zinc-plated steel spreader mechanism – for long life in spreading debris evenly in the catcher.

Cast-iron ductile iron deck gearboxes – that come with a 5 year warranty.

Hydraulic deck lift and tilt aid – enables easy access for servicing and cleaning the cutter deck.

Hydraulic deck lift – enables easier climbing of curbs by transfer of weight as well as ground clearance.

Hydraulic dump – means that the operator does not have to leave the seat, or lift heavy grass containers.

Catcher full buzzer – lets the operator know when it is time to empty the catcher.

Iso-mounted footrest and hydraulic suspension seat – vastly improve operator comfort, with adjustable sliding seat

25 litre fuel tank – for extended mowing time

Digital hourmeter – keeps a record of usage, and indicates when it is time to service the mower.

Single point height adjuster – unique, and the easiest in the industry.

Large, wide premium turf drive tyres – for improved traction, and less risk of lawn damage.

Twin rear wide rear premium turf tyres – for excellent stability.

500 litre catcher – to enable longer periods between emptying

The most safety featured mower of its kind available in Australia
