## Husqvarna®

### **236E Homeowner CHAINSAW**

Even if you only use a chainsaw once a year, you shouldn't have to sacrifice quality features for value of money. This model delivers outstanding cutting performance with light weight, easy handling and great technological features.

**34cc\*14 inch Bar \*52 Links of 91 type chain \*1.3kw \*4.7kg w/o Bar & Chain**

**Start reminder** – A decal placed on the top cover reminds you of the correct starting sequence for easy starts.

**Combined choke/stop control** – This allows for easier starting and reduces the risk of engine flooding.

**Air purge** – Designed for easy starting.

**Smart Start spring assisted start** – reduces the resistance in the starter cord by up to 40%.

**Air injection** – Centrifugal air cleaning system for reduced wear and longer time between air filter cleaning.

**X-TORQ** – This engine design increases torque over a wider rpm range, providing increased cutting power and lower emissions.

**E-TECH II** – This represents the latest developments in low emission engine technology.

**Low Vib** – Highly effective anti-vibration dampeners absorb vibration.

**Inertia activated chain brake** – If a kickback occurs and the tip of the bar is forced upwards, the inertia of the front guard should activate the chain brake instantly.

**Tool-Less Chain Tensioner** – Quick and easy chain tensioning without tools.
