Husqvarna®

240E Homeowner CHAINSAW

This new model is ideal for jobs like pruning, lighter cutting tasks and hobby work. Easy to start and operate, thanks to built-in Husqvarna features.

38.2cc * 14 inch Bar * 52 Links of 91 type chain * 1.5kw * 4.7kg w/o Bar & Chain

Start reminder – A decal placed on the top cover reminds you of the correct starting sequence for easy starts.

Combined choke/stop control – This allows for easier starting and reduces the risk of engine flooding.

Air purge – Designed for easy starting.

Smart Start – Spring assisted to reduce the resistance in the starter cord by 40%.

Air injection – Centrifugal air cleaning system for reduced wear and longer time between air filter cleaning.

X-TORQ – This engine design increases torque over a wider rpm range, providing increased cutting power and lower emissions.

E-TECH II – This represents the latest developments in low emission engine technology.

Low Vib – Highly effective anti-vibration dampeners absorb vibration.

Inertia activated chain brake – If a kickback occurs and the tip of the bar is forced upwards, the inertia of the front guard should activate the chain brake instantly.

Tool-less chain tensioner – Quick and easy chain tensioning without using any tools.

Global No. 1 in the manufacture of Chainsaws

Warranty–2 year Domestic Use–1 year Commercial Use

\$499 Includes assembly and pre-delivery.
