365 Landowner CHAINSAW

High performance, powerful chainsaw for demanding users who need a strong, versatile chainsaw.

65.1cc * 20 inch Bar * 72 links of 21 type Chain * 3.4kw * 6kg w/o Bar & Chain

Air injection – Centrifugal air cleaning system for reduced wear and longer time between air filter cleaning.

Smart start decompression valve – The engine & starter have been designed so that the machine starts with 40% less effort.

Low Vib – Highly effective anti-vibration dampeners absorb vibration.

Inertia activated chain brake – If a kickback occurs and the tip of the bar is forced upwards, the inertia of the front guard should activate the chain brake instantly.

Vibration dampened carburetor – Allows the engine to run smoother and with less need for adjustments.

Adjustable Oil Pump – Allows adjustment of bar and chain oil for various applications.

Side-Mounted Chain Tensioner – makes chain adjustment quick and easy

Quick release on air filter cover and air filter – No tools required to remove air filter or cover cover.
