Husqvarna®

440E – Landowner - Warranty – 2 year Domestic Use – 1 year Commercial Use

A powerful mid-range property owner saw for any occasion.

41cc * 16 inch Bar * 66 links x .325 .050 Chain * 1.8kw * 4.4kg w/o Bar & Chain

Start reminder – A decal placed on the top cover reminds you of the correct starting sequence for easy starts.

Combined choke/stop control – This allows for easier starting and reduces the risk of engine flooding.

Air purge – Designed for easy starting.

Air injection – Centrifugal air cleaning system for reduced wear and longer time between air filter cleaning.

X-TORQ – This engine design increases torque over a wider rpm range, providing increased cutting power and lower emissions.

E-TECH II – This represents the latest developments in low emission engine technology.

Low Vib – Highly effective anti-vibration dampeners absorb vibration.

Inertia activated chain brake – If a kickback occurs and the tip of the bar is forced upwards, the inertia of the front guard should activate the chain brake instantly.

Quick release on air filter cover and air filter – No tools required to remove air filter or cover cover.

Visible Fuel level – Makes it easy for the user to see when a refill of fuel is needed.

Vibration dampened carburetor – Allows the engine to run smoother and with less need for adjustments.

Snap-lock cylinder cover – Saves time when changing spark plugs and cleaning.
