## Husqvarna®

### **450E Landowner CHAINSAW**

Outstanding cutting performance and great features for large property owners.

**50.2cc \* 18 inch Bar \* 72 links of 95 type Chain \* 2.4kw \* 5.1kg w/o Bar & Chain**

**Start reminder** – A decal placed on the top cover reminds you of the correct starting sequence for easy starts.

**Combined choke/stop control** – This allows for easier starting and reduces the risk of engine flooding.

**Air purge** – Designed for easy starting.

**Air injection** – Centrifugal air cleaning system for reduced wear and longer time between air filter cleaning.

**X-TORQ** – This engine design increases torque over a wider rpm range, providing increased cutting power and lower emissions.

**Smart start decompression valve** – The engine & starter have been designed so that the machine starts with 40% less effort.

**E-TECH II** – This represents the latest developments in low emission engine technology.

**Low Vib** – Highly effective anti-vibration dampeners absorb vibration.

**Inertia activated chain brake** – If a kickback occurs and the tip of the bar is forced upwards, the inertia of the front guard should activate the chain brake instantly.

**Quick release on air filter cover and air filter** – No tools required to remove air filter or cover cover.

**Visible Fuel level** – Makes it easy for the user to see when a refill of fuel is needed.

**Vibration dampened carburetor** – Allows the engine to run smoother and with less need for adjustments.

**Snap-lock cylinder cover** – Saves time when changing spark plugs and cleaning.

**Adjustable Oil Pump** – Allows adjustment of bar and chain oil for various applications.
