Husqvarna®

535RX Commercial Brushcutter

A commercial-grade Brushcutter developed with the best possible ergonomics and efficiency. Offering excellent operator comfort thanks to the high off-set post, angled handlebars and low vibration design. Plus more.

34.6cc engine 2.2 hp (1.6kw) 6.2kg

E-TECH II engine – Represents the latest developments in low emission engine technology

X-TORQ Engine – This engine design increases torque over a wider rpm range providing maximum cutting power, while reducing emissions by up to 60% and fuel consumption by up to 20%.

Air purge – designed for easy starting.

Smart Start – The engine and starter have been designed so that the machine starts quickly with minimum effort. Resistance in the starter cord is reduced by up to 40%.

Ergonomic “off-set” adjustable handlebars – for easier operation

Soft Grips – For operator comfort

Tap-advance nylon trimmer head – Designed for ease of reloading trimmer line and optimum performance

Duo-balance Harness – Ergonomic harness that distributes the load optimally between shoulders, chest and back. Wide padded straps and wide back plate reduce the load. Hip plate with travelling connection reduces body movement.

Now Global No.1 in production of Hand-held Power Equipment

Warranty – 2 year Domestic – 1 year Commercial

\$929 (Price includes assembly and Pre-delivery)
