Husqvarna®

CTH2038 RIDE-ON LAWNMOWER

 **Advanced engine technology** – Fitted with a high specification overhead valve 20hp Husqvarna Endurance engine featuring full pressure-lubrication, oil pump and oil filter.

Cowl-induction cooling – Draws in cool external air for superior engine cooling.

Quick-remove bonnet – Easily removed for greater engine accessibility during servicing.

 **Air induction cutting deck with versatile cutting techniques** – Choose between rear discharge, mulching, or catching with the 36" cutting deck.

Rear discharge cutting deck – Allows for cleaner mowing and trimability on both sides.

Hydrostatic Transmission – Fender-mounted control system optimizes speed, and provides excellent manoeuvrability and ease of use.

Large, wide rear tyres – for improved traction, and less risk of lawn damage.

 **Thick padded steering wheel** – For operator comfort.

Cup holder – Convenient cup-holder for refreshments during operation.

 **"Comfort" seat** – Specially padded for operator comfort.

Headlights – Useful for late finishing, or if using a tow-behind trailer after dark.

Electric blade cutting engagement – Easy engagement of cutting blades, simply pull the switch on the control panel.

Infinite cutting height adjustment – Dial assisted and easily accessible.

Bumper bar – Fitted for customer benefit to protect the front of the mower.

Pivoting cast-iron front axle – This provides superior balance, stability, durability and quality of cut.

Standard large effective catcher – Works on high speed airflow from the air induction cutting deck.

Mulching kit – this is a standard extra at no extra cost for mulching purposes.

 **Hourmeter with service reminder** – Keeps a record of usage, and indicates when it is time to service the mower.

 **Deck wash port** – facilitates easy cleaning of cutting deck after use.

 **Optional rear discharge deflector** - ensures the cuttings are directed backwards and downwards. (\$149)

Warranty – 2 year Domestic – 1 year Commercial
