Husqvarna®

2010 Biggest Seller of Husqvarna Ride-on Mowers in NSW

CTH2038 RIDE-ON LAWNMOWER

Advanced engine technology – Fitted with a high specification overhead valve 20hp Husqvarna Endurance engine featuring full pressure-lubrication, oil pump and oil filter.

Cowl-induction cooling – Draws in cool external air for superior engine cooling.

Quick-remove bonnet – Easily removed for greater engine accessibility during servicing.

Air induction cutting deck with versatile cutting techniques – Choose between rear discharge, mulching, or catching with the 38" cutting deck.

Rear discharge cutting deck – Allows for cleaner mowing and trimability on both sides.

Hydrostatic Transmission – Fender-mounted control system optimizes speed, and provides excellent manoeuvrability and ease of use.

Large, wide rear tyres – for improved traction, and less risk of lawn damage.

Thick padded steering wheel – For operator comfort.

Cup holder – Convenient cup-holder for refreshments during operation.

"Comfort" seat – Specially padded for operator comfort.

Headlights – Useful for late finishing, or if using a tow-behind trailer after dark.

Electric blade cutting engagement – Easy engagement of cutting blades, simply pull the switch on the control panel.

Infinite cutting height adjustment – Dial assisted and easily accessible.

Bumper bar – Fitted for customer benefit to protect the front of the mower.

Pivoting cast-iron front axle – This provides superior balance, stability, durability and quality of cut.

Standard large effective catcher – Works on high speed airflow from the air induction cutting deck.

Mulching kit – this is a standard extra at no extra cost for mulching purposes.

Hourmeter with service reminder – Keeps a record of usage, and indicates when it is time to service the mower.

Deck wash port – facilitates easy cleaning of cutting deck after use.

Optional rear discharge deflector - ensures the cuttings are directed backwards and downwards. (\$149)

Warranty – 2 year Domestic – 1 year Commercial
