Husqvarna®

DT22 DETHATCHER

A robust versatile dethatcher with compact design for transport and manoeuvrability.

Powered by a 5.5hp Commercial-grade Briggs and Stratton Intek OHV engine – Providing excellent reliability and power

Two-stage air filter – Less chance of engine dusting

Electronic Ignition – Provides a strong spark for easier starts and smoother running.

Automatic oil guard – This is an automatic safety shutdown of engine on low oil level.

Compact, hard wearing construction – The product features 100% commercial components and construction.

Central height adjustment - Lets the operator change working heights quickly and easily without tools

Ergonomic, adjustable, fold-down handlebar - Enables operator to quickly and easily customise handle height to their personal preference.

Flail blades – Fifty two case hardened steel blades operated using centrifugal force

Belt-drive with engagement bar – For safe easy “ON/OFF” operation.

Optional Catcher – Holds 230 litres and reduces clean-up work, \$899 fitted.

\$2,748 (Price includes assembly and Pre-delivery)

“The Best Warranty in the Industry from the Biggest Name in the Industry”
Compare the *Commercial* Warranty with other Brands. That will show you
the quality of Husqvarna Power Products
