Husqvarna®

NEW

LTH2038 Ride-on Mower 38 inch cut

Advanced engine technology – Fitted with a high specification overhead valve 20hp Husqvarna Endurance engine

featuring full pressure-lubrication oil pump and oil filter. **SEE DETAILS BELOW - Husqvarna Warranty – 2 Years**

Air induction cutting deck with Versatile cutting techniques – Choose between side-discharge, mulching or catching.

Hydrostatic transmission – Foot-controlled system optimises speed, and provides excellent manoeuvrability and ease of use.

Step-through design – Ensures comfortable and easy mounting and dismounting.

“Comfort” adjustable sliding seat – Quick lever-control adjusts forward and down, or backwards and up.

Large, wide rear tyres – for improved traction, and less risk of lawn damage.

Thick padded steering wheel – For operator comfort.

Cup holder – Convenient cup-holder for refreshments during operation.

Hourmeter with service reminder – Keeps a record of usage, and indicates when it is time to service the mower.

Headlights – Useful for late finishing, or if using a tow-behind trailer after dark.

Fender-mounted cutting height adjustment – Spring-assisted and easily accessible.

Bumper – Fitted for customer benefit to protect the front of the mower.

Pivoting cast-iron front axle – This provides superior balance, stability, durability and quality of cut.

Optional large effective catcher – Works on high speed airflow from the air induction cutting deck. **(\$549)**

Mulching kit – this is an inexpensive optional extra for mulching purposes. **(\$74)**

Deck wash port – facilitates easy cleaning of cutting deck after use.

Easy oil drainer – attaches to the side of the engine for a no tool, no mess oil change

NEW HUSQVARNA ENDURANCE ENGINE

Full Pressure Lubrication with Spin-on Oil Filter – Automotive-type oil system for cooler operation and longer life.

Overhead Valve Design – Runs cooler and cleaner delivering more power and improved fuel economy.

AVS Anti-Vibration System – Patented linear balancing eliminates side-to-side motion

Dura-Bore Cast-iron Cylinder Liner – Withstands wear whilst providing improved oil control

Heavy-duty Teflon-coated Sleeve Bearing – Better withstands load, and reduces wear

Super Polished Crank Pin Bearing – Reduces friction and heat to minimise wear

Chrome Plated Exhaust Valves – Smoother, providing less valve wear

Advanced Debris Management System – Dual sealing, extra-large cartridge-style air filter for maximum engine protection

Automotive-style Dipstick – Simplifies checking the engine oil

Premium Filter Package – Larger oil filter with finer micron filtering and a larger fuel filter for cleaner running and longer replacement intervals

Tool-less Air Cleaner Cover – Provides easy access to air filter for regular maintenance

Tool-less Oil Drainer – For convenient draining of oil

Magnetron Electronic Ignition – Delivers quick dependable starts with no maintenance required

Platinum Spark Plugs – For improved spark and longer life
