MZ25 – 25hp 52 inch or 61 inch cut ZERO TURN MOWER

The MZ series of zero turn mowers from Husqvarna takes performance, productivity and comfort to a whole new level. The mega-sized welded steel frame, new smooth ride hydraulic drive system and super-sized front and rear tires create the ultimate mowing experience for large property owners.

Advanced engine technology – Fitted with a high specification overhead valve, Commercial-grade, 25hp Twin Cylinder Kohler engine with external oil filter.

Versatile cutting techniques – Choose between 52inch and 61 inch side discharge cutting decks, fabricated from 11 gauge (2.7mm thick).

Dual Hydrostatic Transmission – Hydro-gear variable displacement axial piston design pumps with Parker/Ross wheel motors

Hydraulic Oil Filter – Filters the oil before it reaches the pump to ensure that only clean oil enters the system.

Electric PTO – Easy engagement of cutting blades. Simply pull the switch on the control panel.

Adjustable high-back sliding seat with armrests – Seat adjusts forward and down, or backwards and up.

Greaseable deck spindle assemblies – For longer bearing life.

Greaseable heavy duty front castor wheels – Necessary for a high workload item on the zero-turn mowers.

High quality turf tyres – for improved traction, and less risk of lawn damage.

Cup holder – Convenient cup-holder for refreshments during operation.

Digital Hourmeter – Keeps a record of usage, and indicates when it is time to service the mower.

Cutting height adjustments – Adjustable in ¼ inch increments for minor adjustments on a variety of lawns.

Foot assisted cutting height adjuster – Positioned for easy access.

Uni-frame – One piece chassis for greater strength, and longer front pan area for increased leg room.

Anti scalp deck rollers – Middle and both sides of the deck at the front to avoid grass scalping on undulating land.

Large effective catcher – optional extra.
