Husqvarna®

T435 Commercial CHAINSAW

The ultimate high precision tree care chainsaw. Designed exclusively for the arborist and tree care professional. High performance and reliability that you can count on.

35.2cc * 12 inch Bar * 45 Links of 91 type Chain * 1.5kw * 3.4kg w/o Bar & Chain

X-TORQ – This engine design increases torque over a wider rpm range, providing increased cutting power and lower emissions.

Air purge – Designed for easy starting.

Smart Start – Spring assisted to reduce the resistance in the starter cord by 40%.

Low Vib – Highly effective anti-vibration dampeners absorb vibration.

Quick release on air filter cover and air filter – No tools required to remove air filter or cover cover.

Snap-lock cylinder cover – Saves time when changing spark plugs and cleaning.

Inertia activated chain brake – If a kickback occurs and the tip of the bar is forced upwards, the inertia of the front guard should activate the chain brake instantly.

Vibration dampened carburetor – Allows the engine to run smoother and with less need for adjustments.

Adjustable Oil Pump – Allows adjustment of bar and chain oil for various applications.

Side-Mounted Chain Tensioner – makes chain adjustment quick and easy
