Husqvarna®

YTH2242TDF Ride-on Lawnmower

 **Advanced engine technology** – Fitted with a high specification overhead valve 22hp twin-cylinder Husqvarna Endurance engine featuring full pressure-lubrication and oil filter.

Cowl-induction cooling – Draws in cool external air for superior engine cooling.

 **Fabricated & reinforced cutting deck** – Choose between side-discharge, Mulching, or catching with the 42" cutting deck.

Hydrostatic transmission – Foot-controlled system optimizes speed, and provides excellent manoeuvrability and ease of use.

Automatic differential lock – For improved traction and performance in a wider range of mowing applications.

Step-through design – Ensures comfortable and easy mounting and dismounting.

Adjustable high-back premium sliding seat – Quick lever-control adjusts forward and down, or backwards and up.

 **Thick padded steering wheel** – For operator comfort.

Large, wide rear tyres – for improved traction, and less risk of lawn damage.

Cup holder – Convenient cup-holder for refreshments during operation.

 **Hourmeter with service reminder** – Keeps a record of usage, and indicates when it is time to service the mower.

Headlights – Useful for late finishing, or if using a tow-behind trailer after dark.

Electric PTO – Easy engagement of cutting blades, simply pull the switch on the control panel.

Fender-mounted cutting height adjustment – Spring assisted and easily accessible.

 **Anti-scalp rollers** – Fitted with anti-scalp front roller and front and rear anti-scalp wheels.

Pivoting Cast-iron front axle – This provides superior balance, stability, durability and quality of cut.

 **Premium bumper bar** – Fitted for customer benefit to protect the front of the mower.

Optional large effective catcher – Efficient Impellor-assisted rear bin catcher **(\$1,100)**

Mulching kit – this is an optional extra for mulching purposes. **(\$219)**

Fender grips – Strong hand grips for balance on slight slopes.

 **Automotive style 12 volt power outlet** - Small light outlet or phone charger etc.

Cruise control – A convenient efficient function that ensures the keeps an even speed.

Large fuel tank – A 15.1 litre fuel tank with a fuel-level window, plus a reserve tank.

 **Deck wash port** – Attach the hose, turn on the water and engage the blades for an excellent deck clean.

Warranty – 2 year Domestic – 1 year Commercial
