Husqvarna®

NEW

YTH2648TDF RIDE-ON LAWN MOWER

Advanced engine technology – Fitted with a high specification overhead valve 26hp twin-cylinder Husqvarna Endurance engine featuring full pressure-lubrication, oil pump and oil filter. **SEE DETAILS BELOW – 2 Year Husqvarna Warranty**

Cowl-induction cooling – Draws in cool external air for superior engine cooling.

Fabricated & reinforced cutting deck – Choose between side-discharge, mulching or catching with the 48" cutting deck.

Hydrostatic transmission – Foot-controlled system optimises speed, and provides excellent manoeuvrability and ease of use.

Automatic differential lock – For improved traction and performance in a wider range of mowing applications.

Step-through design – Ensures comfortable and easy mounting and dismounting.

Adjustable high-back premium sliding seat – Quick lever-control adjusts forward and down, or backwards and up.

Large rear tyres – for improved traction, and less risk of lawn damage.

Cup holder – Convenient cup-holder for refreshments during operation.

Hourmeter with service reminder – Keeps a record of usage, and indicates when it is time to service the mower.

Headlights – Useful for late finishing, or if using a tow-behind trailer after dark.

Electric cutting blade engagement – Easy engagement of cutting blades, simply pull the switch on the control panel.

Fender-mounted cutting height adjustment – Spring assisted and easily accessible.

Anti-scalp rollers – Fitted with anti-scalp front roller and front and rear anti-scalp wheels.

Premium bumper bar – Fitted for customer benefit to protect the front of the mower.

Pivoting cast-iron front axle – This provides superior balance, stability, durability and quality of cut.

Optional large effective catcher – Efficient impeller-assisted rear bin catcher. **(\$1,149)**

Mulching kit – this is an optional extra for mulching purposes. **(\$259)**

Fender grips – Strong hand grips for balance on slight slopes.

Automotive style 12 Volt power outlet – Small light outlet or phone charger etc.

Cruise control – A convenient, efficient function that ensures the mower maintains an even speed when required.

Large fuel tank – A 15.1 litre fuel tank with a fuel-level window, **plus a reserve tank.**

Deck wash port – Attach the hose, turn on the water and engage the blades for an excellent deck clean

Easy oil drainer – attaches to the side of the engine for a no tool, no mess oil change
