Biggest Seller of Husqvarna Ride-on Mowers in NSW in 2010

NEW

“YTH2648TDRF” RIDE-ON LAWN MOWER 26hp, 48 inch cut

- **Advanced engine technology** – Fitted with a high specification overhead valve 26hp twin-cylinder Husqvarna Endurance engine featuring full pressure-lubrication, oil pump and oil filter. **SEE DETAILS BELOW – 2 Year Husqvarna Warranty**
- **Cowl-induction cooling** – Draws in cool external air for superior engine cooling.
- **Fabricated & reinforced cutting deck** – Choose between side-discharge, mulching or catching with the **48” cutting deck**.
- **Hydrostatic transmission** – Foot-controlled system optimises speed, and provides excellent manoeuvrability and ease of use.
- **Automatic differential lock** – For improved traction and performance in a wider range of mowing applications.
- **Step-through design** – Ensures comfortable and easy mounting and dismounting.
- **Adjustable high-back premium sliding seat with armrests** – Quick lever-control adjusts forward and down, or backwards and up.
- **Large, wide rear tyres** – for improved traction, and less risk of lawn damage.
- **Cup holder** – Convenient cup-holder for refreshments during operation.
- **Hourmeter with service reminder** – Keeps a record of usage, and indicates when it is time to service the mower.
- **Headlights** – Useful for late finishing, or if using a tow-behind trailer after dark.
- **Electric cutting blade engagement** – Easy engagement of cutting blades, simply pull the switch on the control panel.
- **Fender-mounted cutting height adjustment** – Spring assisted and easily accessible.
- **Anti-scalp rollers** – Fitted with anti-scalp front roller and front and rear anti-scalp wheels.
- **Premium bumper bar** – Fitted for customer benefit to protect the front of the mower.
- **Pivoting cast-iron front axle** – This provides superior balance, stability, durability and quality of cut.
- **Mulching kit** – this is an optional extra for mulching purposes. **(\$259)**
- **Fender grips** – Strong hand grips for balance on slight slopes.
- **Automotive style 12 Volt power outlet** - Small light outlet or phone charger etc.
- **Cruise control** – A convenient, efficient function that ensures the mower maintains an even speed when required.
- **Large fuel tank** – A 15.1 litre fuel tank with a fuel-level window, **plus a reserve tank**.
- **Deck wash port** – Attach the hose, turn on the water and engage the blades for an excellent deck clean
- **Easy oil drainer** – attaches to the side of the engine for a no tool, no mess oil change
- **U-Cut Steering system** – extremely tight turning radius of 20cm, reducing uncut mowing area by 50%
- **Newly designed bonnet** – improves air flow throughout engine bay

NEW HUSQVARNA ENDURANCE ENGINE

Full Pressure Lubrication with Spin-on Oil Filter – Automotive-type oil system for cooler operation and longer life.

Overhead Valve Design – Runs cooler and cleaner delivering more power and improved fuel economy.

AVS Anti-Vibration System – Patented linear balancing eliminates side-to-side motion

Dura-Bore Cast-iron Cylinder Liners – Withstand wear whilst providing improved oil control

Heavy-duty Teflon-coated Sleeve Bearing – Better withstands load, and reduces wear

Super Polished Crank Pin Bearing – Reduces friction and heat to minimise wear

Chrome Plated Exhaust Valves – Smoother, providing less valve wear

Advanced Debris Management System – Dual sealing, extra-large cartridge-style air filter for maximum engine protection

Automotive-style Dipstick – Simplifies checking the engine oil

Premium Filter Package – Larger oil filter with finer micron filtering and a larger fuel filter for cleaner running and longer replacement intervals

Tool-less Air Cleaner Cover – Provides easy access to air filter for regular maintenance

Tool-less Oil Drainer – For convenient draining of oil

Magnetron Electronic Ignition – Delivers quick dependable starts with no maintenance required

Platinum Spark Plugs – For improved spark and longer life
