Husqvarna®

iZ21 21hp 48 inch cut ZERO TURN MOWER

High-capacity mowers for commercial use, providing incredible productivity, and delivering excellent cutting results. Featuring the exclusive 48 inch "COMBI" (mulching) cutting deck.

- Advanced engine technology** – Fitted with a high specification overhead valve, Commercial-grade, 21hp Twin Cylinder Kawasaki engine with external oil filter.
- Heavy duty canister style air filter** – This provides the ultimate in air filtration via a remote dual cartridge system.
- Versatile cutting techniques** – The 48 or 52 inch 7 gauge steel **Combi**, mulching decks easily convert to rear discharge.
- Heavy duty deck spindle assemblies with large sealed bearings** – For extreme work loads, less maintenance and long life.
- Cutting height adjustments** – Adjustable in ¼ inch increments for minor adjustments on a variety of lawns.
- Dual Hydrostatic Transmission** – Hydro-gear variable displacement axial piston design pumps with Parker/Ross wheel motors
- Hydraulic Oil Filter** – Filters the oil before it reaches the pump to ensure that only clean oil enters the system.
- Electric PTO** – Easy engagement of cutting blades. Simply pull the switch on the control panel.
- Greaseable heavy duty front castor wheels** – Necessary for the high workload item on the zero-turn mowers.
- High quality 4 ply turf tyres** – for improved traction, and less risk of lawn damage.
- Cup holder** – Convenient cup-holder for refreshments during operation.
- Digital Hourmeter** – Keeps a record of usage, and indicates when it is time to service the mower.
- Steel cutting height adjustment** – Foot assisted and easily accessible.
- Uni-frame** – One piece chassis for greater strength.
- Extra leg room** – From the longer front pan area.
- Adjustable steering levers** – For individual operator comfort.
- Anti scalp deck rollers** – Middle and both sides of the deck at the front to reduce grass scalping on undulating land.
- Foldable ROPS** – Roll-Over-Protection-System increases operator protection for normal conditions.
