iz25 - 25hp 48 inch or 52 inch Combi Deck ZERO TURN MOWER

High-capacity mowers for commercial use, providing incredible productivity, and excellent cutting results. Featuring the exclusive Combi, (mulching) 48 inch or 52 inch cutting decks.

Advanced engine technology – Fitted with a high specification overhead valve, Commercial-grade, 25hp Twin Cylinder Kohler engine with external oil filter.

Heavy duty canister style air filter – This provides the ultimate in air filtration via a remote dual cartridge system.

Versatile cutting techniques – The 48 or 52 inch 7 gauge steel **Combi**, mulching decks easily convert to rear discharge.

Heavy duty deck spindle assemblies with large sealed bearings – For extreme work loads, less maintenance and long life.

Cutting height adjustments – Adjustable in ¼ inch increments for minor adjustments on a variety of lawns.

Dual Hydrostatic Transmission – Hydro-gear variable displacement axial piston design pumps with Parker/Ross wheel motors

Hydraulic Oil Filter – Filters the oil before it reaches the pump to ensure that only clean oil enters the system.

Electric PTO – Easy engagement of cutting blades. Simply pull the switch on the control panel.

Adjustable high-back sliding *full suspension* seat with armrests – Seat adjusts forward and down, or backwards and up, plus “dial-a-weight” settings for various operators..

Greaseable heavy duty front castor wheels – Necessary for the high workload item on the zero-turn mowers.

High quality 4 ply turf tyres – for improved traction, and less risk of lawn damage.

Cup holder – Convenient cup-holder for refreshments during operation.

Digital Hourmeter – Keeps a record of usage, and indicates when it is time to service the mower.

Steel cutting height adjustment – Foot assisted and easily accessible.

Uni-frame – One piece chassis for greater strength, and longer front pan area for extra leg room.

Adjustable padded steering levers – For individual operator comfort.

Anti scalp deck rollers – All round the deck at the front and both sides at the rear to avoid grass scalping on undulating land.

Foldable ROPS – Roll-Over-Protection-System increases operator protection for normal conditions.

\$14,500 (with 48 inch deck)

\$14,800 (with 52 inch deck)

Warranty - 2 year Domestic and Commercial use
