446s - COMMERCIAL-GRADE CHAINSAW

This high performance professional saw offers the best power to weight ratio in its class.

44.6cc * 16 inch Bar * 66 links of 20 type Chain * 2.3kw * 4.5kg w/o Bar & Chain

- * Japanese quality – Shindaiwa-built premium engine.
- * Light weight, heavy duty aluminium crankcases with machine mated surfaces – No gaskets, so no gasket leaks.
- * Durable Chrome plated cylinder with 2 piston rings – For extended engine life and higher compression.
- * Forged 3 piece crankshaft and con-rod with needle roller bearings at each end – For much extended engine life.
- * Fully adjustable, automatic, clutch driven oil pump – Does not oil at idle to eliminate waste.
- * Air purge – Designed for easy starting.
- * Spring tension assisted starting system – Provides easy to pull starting.
- * Oversize starter handle – Provides comfortable, easy to grasp handle.
- * Combination choke and half throttle lock – Provides easy starting and returns to idle when throttle lever is activated.
- * Walbro all position carburetor – Chainsaw can be operated at various revs and angles.
- * Ergonomic Front handle – With 7 degree offset to fit operator's grip naturally, so as to lessen fatigue.
- * Aluminium handlebar with rubber grip – For operator comfort.
- * Rubber rear hand grip – Provides superior operator comfort.
- * Full anti- vibration system with rubber mounts - Highly effective anti-vibration dampeners which absorb vibration.
- * Quick release on air filter cover – No tools required to remove air filter cover.
- * Dual post inertia activated chain brake – Automatically activated by reactive forces, or manually activated by operator.
- * Adjustable Oil Pump – Allows adjustment of bar and chain oil for various applications.
- * Side-Mounted Chain Tensioner – makes chain adjustment quick and easy
- * 45 degree chain angle adjusting screw – Provides easy access for chain tensioning.
- * Captive oil cap – The oil cap has a retaining link to avoid losing it.
