DH230-24 24 INCH 2 STROKE HEDGETRIMMER

The Shindaiwa DH230-24 is a professional-grade hedgetrimmer. It is built using the advanced technology, close tolerance manufacturing, and unsurpassed craftsmanship that are the hallmarks of all Shindaiwa equipment.

- Japanese quality – Shindaiwa-built premium engine
- Powerful 22.5cc 2 stroke engine 1.1hp (.8kw) 5.5kg total weight
- Lightweight, heavy-duty aluminium crankcases
- Durable Chrome-plated cylinder with two piston rings
- Forged 3 piece crankshaft and con-rod with needle roller bearings
- Air purge for easy starting
- Anti-vibration mounted fuel tank
- Double sided 24 inch reciprocating blades
- “Staysharp” chrome-plated blades that cut with more precision, and stay sharp longer
- One-piece transistor-controlled ignition
