EB240 2 STROKE COMMERCIAL-GRADE BLOWER

The Shindaiwa EB240s has been redesigned with an innovative nylon impeller to make it lighter than its EB240 predecessor while retaining the same great performance that users have come to expect. With its fast and flexible design, the EB240S is ideal for commercial users.

- Shindaiwa-built premium 2-cycle engine
- Walbro rotary valve carburetor
- Chrome-plated cylinder with 2 piston rings
- Quiet operation - 67 db(A)
- Recoil starter
- Toggle-type stop switch
- Rubber-coated grip
- Offset discharge nozzle to avoid side thrust on acceleration
- Light but strong and efficient glass-filled nylon impeller
- Quick throttle response, fast acceleration.
