## shindaiwa

### SHINDAIWA EB2510 LOW EMISSION BLOWER

Introducing Shindaiwa's newest hand-held blower, the EB2510, featuring Shindaiwa's patented C4 Technology engine. This commercial-grade blower provides remarkable performance with low engine noise, low emissions, and excellent fuel economy.

- 24.5cc - 1.1 hp (0.8kW) - 4.9kg
- C4 Technology ® high torque 4-stroke engine features all position operation
- Uses 50:1 fuel ratio
- Incredible torque.
- Quick throttle response
- Chrome plated cylinder with two piston rings
- Easy access air filter. No tools required
- Comfortable rubber coated grip
- Features a convenient rapid fire, pistol grip throttle handle with cruise control function for sustained hands-off operation, and a special hush mode switch to reduce noise levels in noise sensitive areas
- Better fuel economy versus equivalent engine capacity 2-stroke
- Output is an incredible air velocity of 307kmh, and air flow of 420 CFM.
