Shindaiwa

M230 - 2 STROKE MULTI PURPOSE POWER HEAD

The Shindaiwa M230 powerhead features a powerful, lightweight, proven Shindaiwa 230 engine to the Multi-tool system. The easy to use coupler provides a positive link between outer tube segments. Split boom design uncouples easily for transport and storage.

- Japanese quality - Shindaiwa 22.5cc 1.1hp (.8kw) High torque 2-Stroke engine 4.6kg
- 1-piece electronic ignition and easy access stop switch
- Durable chrome-plated cylinder with a two ring piston design
- Lightweight heavy-duty machine-mated aluminium crankcases
- Forged three piece crankshaft and con-rod with needle roller bearings
- Forced-air cooling, discharged away from operator
- Quick change coupler makes installing and removing various tools quick and easy
- Walbro barrel-valve carburetor for all-position operation and smooth power
- Automatic centrifugal clutch and full anti-vibration system
- Carbon steel mainshaft with splined ends reduces vibration and operator fatigue
- Heavy-duty gearcase with helical gears for smooth power transfer
- Aircraft-grade aluminum outer tube and Stainless Steel tank guard
- Heavy duty four bolted debris shield on trimmer
- Now with the sensational **"Speed Feed"** Trimmer Head
