## shindaiwa

### M2510 C4 TECHNOLOGY MULTI PURPOSE POWER HEAD

With C4 Technology<sup>®</sup>, the T2510 combines the best of both worlds. You get the light weight, high torque, multi-positioning, and great throttle response of the 2-stroke. And now, include the low engine noise, improved fuel economy, and dramatically reduced exhaust gas emissions of the 4-stroke. The Shindaiwa T2510 is designed especially for the demanding commercial market.

- Japanese quality – Shindaiwa premium 24.5cc 1.1hp (.8kw) engine 5kg
- Shindaiwa C4 Technology with the low noise and emission characteristics of a 4-cycle engine.
- Durable chrome-plated cylinder with a two-ring piston
- Forged three piece crankshaft and con-rod with needle roller bearings at each end.
- Walbro WYL barrel valve carburetor for all position use, and excellent throttle response and fuel metering throughout entire rpm range
- Forced air cooling, discharged away from the operator
- Automatic centrifugal clutch
- Full anti-vibration system
- Carbon steel splined mainshaft
- Aircraft-grade aluminium outer tube
- Heavy duty gearcase with helical gears for smooth power transfer Better fuel economy, up to 33% longer than equivalent engine capacity 2-stroke units.
- Heavy duty four bolted debris shield
- Now with the new sensational *“Speed Feed”* Trimmer Head

**5 Year Domestic / 2 Year Commercial Warranty**

**\$659** Powerhead only

**Attachments \* Trimmer \$160 \* Pole Pruner \$390 \*  
Edger \$275\* Short Articulated Hedge Trimmer \$549 \* Long
